

Are people 'aware' after death?

So are you saying they are awoken after death and aware (some!) that they should have given their life over to Christ while they were alive or will the Lord bring it to their remembrance at the day of the Judgment when Christ says "I never knew you."

=====

* Yes, they are very much awake and aware after physical death. Not just "some", but 'all'.

* Yes, they should have given their lives to Jesus, and Yes, according to Revelation 20, they will stand before the Great White Throne of Judgment and be sentenced. They will be thrown into the Lake of Fire to suffer for eternity.

* And Yes, implying that He never had a relationship with those who are merely religious and lost, He told them that "I never knew you".
